

| GCI - Galley Consumables Inventory |           |                 |   |
|------------------------------------|-----------|-----------------|---|
| Issue No:                          | 1         | Amendment No:   | - |
| Issue Date:                        | 06 - 2016 | Amendment Date: | - |

List all consumables that can be found in the accommodation block. This includes all consumables that are stored in the galley, mess room, bridge, store room etc. Please write the number and location of all consumables in the table shown below.

- Consumables inventory checks should be updated every month and before leaving the ship.
- Update this record sheet in **Consumable Inventory Records** section of the **Food and Provisions**Management Handbook every month.
- Attach a copy of this inventory to the CKHC Cook Handover Checklist before leaving the vessel.

**Consumables definition**: An item which is intended to be used up relatively quickly such as; napkins, foil, table cloths, chemicals etc. All ships should keep a separate and updated provisions inventory.

| Total No. of Items | Consumables | Location |
